## REMARKS

Please make the following Interview Summary of record.

On May 7, 2008, Examiner Mruk telephoned Attorney Michael Krenicky to discuss the status of the above case and to indicate that an allowance may be possible if some changes were made to the case.

The interview was telephonic.

No references, prior art or otherwise were discussed.

Claims 5, 12 and 31 were discussed.

An agreement with respect to claims 5, 12 and 31 was reached. More specifically, the Examiner was authorized to amend claim 12 to depend from claim 5 so that claim 31 would not be a duplicate. Mr. Krenicky explained that the instruction to cancel claim 31 in the body of the response dated 17 April 2008 was in error, and urged the Examiner to include claim 31 in the allowance. The Examiner agreed that claim 31 is not canceled and to allow claim 31.

Respectfully submitted,

Date: May 23, 2008
